MAP / DIRECTIONS

Please note: Following are the simplest/most accurate directions.

Our past experience has shown problems when using Mapquest and GoogleMaps.

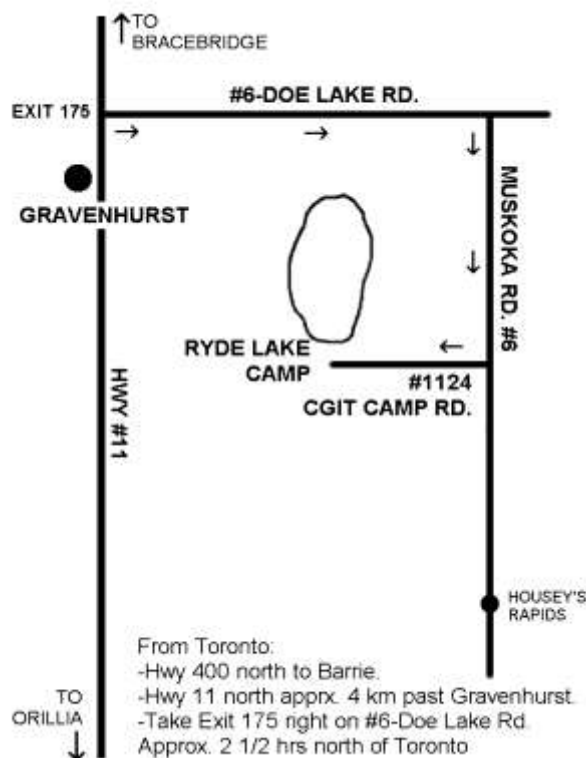

Directions from 401:

Exit north on Hwy 400 to Barrie

After Barrie, continue north on Hwy 11

Continue north on Hwy. 11 past Gravenhurst for approx. 4.4 km. Do not take the highway into town.

Turn right at **Exit #175** - and sign marked as #6 - Doe Lake Rd. Keep to the right and follow #6.

Approx. 8 km. along, watch for where Muskoka Rd. #6 intersects with #20. There are signs for **Ryde Lake Camp** and **Houseys Rapids Rd** at this junction. Turn right.

Continue for another 3-4 km until you reach **CGIT Camp Rd**. This is our camp road and there are signs for **CGIT Camp Road** and **Ryde Lake Camp**. Turn right.

There is a blue municipal #1124 sign at our road. Please note that you will see other municipal number signs along the way. Do not be confused by the fact that our number is not in sequence.

Our camp road is narrow and windy, please drive with caution.
